FROM THE PRESIDENT

Rev Dr Ron Hamilton

The primary fellowships whose discussions led to the founding of the World Evangelical Congregational Fellowship (WECF) were from the United States, the United Kingdom and Australia. By God's grace, the WECF has grown to include 19 member fellowships from around the world. Tragically, church attendance is declining in North America, Europe, and Australia while attendance thrives in other parts of the world.

The Scripture reminds us of the importance of gathering with other believers:
And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another — and all the more as you see the Day approaching.
(Hebrews 10:24-25)

These words challenge members of the church in this generation. Our faith in Christ is encouraged when we meet with others who share our faith. It is also important to recognize that we encourage others when we gather for worship and fellowship.

These words also relate to the purpose of the WECF. This fellowship exists to encourage the work of Christ of like-minded believers around the world. Our triennial gatherings provide a wonderful opportunity to live out this purpose.

Our triennial gatherings include times of worship and fellowship. They also include times to hear what God is doing around the world as each member fellowship shares stories about God's work in their ministry. This is one of the highlights of our meetings.

I have made such a presentation as a representative of the Conservative Congregational Christian Conference in the United States of America. I confess that

while our fellowship is large and influential, I have been humbled when I hear stories of God’s powerful work around the world. These stories have “spurred me on toward love and good deeds.”

I encourage you to make plans to attend the 14th Triennial Meeting that will be held on October 6 – 9, 2026, in Urdinarrain, Entre Rios, Argentina. The leadership of the WECF is finalizing plans for this gathering. The host fellowship, the Evangelical Congregational Churches of Argentina, is making plans to welcome us from around the world.

Do not “neglect” this opportunity to grow in faith and “spur others on” to love and good deeds. You will be blessed and will be a blessing to others.

Las principales comunidades cuyas discusiones llevaron a la fundación de la Fraternidad Congregacional Evangélica Mundial (FCM) provenían de Estados Unidos, el Reino Unido y Australia. Por la gracia de Dios, la FCM ha crecido hasta incluir 19 comunidades miembros de todo el mundo. Lamentablemente, la asistencia a la iglesia está disminuyendo en Norteamérica, Europa y Australia, mientras que en otras partes del mundo prospera.

La Escritura nos recuerda la importancia de reunirnos con otros creyentes:

Y considerémonos unos a otros para estimularnos al amor y a las buenas obras, no dejando de congregarnos, como algunos tienen por costumbre, sino animándonos unos a otros; y tanto más cuanto veis que aquel día se acerca. (Hebreos 10:24-25)

Estas palabras interpelan a los miembros de la iglesia de esta generación. Nuestra fe en Cristo se fortalece cuando nos reunimos con otros que comparten nuestra fe. También es importante reconocer que animamos a otros cuando nos reunimos para adorar y compartir.

Estas palabras también se relacionan con el propósito de la WECF. Esta comunidad existe para alentar la obra de Cristo de creyentes con ideas afines en todo el mundo. Nuestras reuniones trienales brindan una maravillosa oportunidad para vivir este propósito.

Nuestras reuniones trienales incluyen momentos de adoración y compañerismo.

Também incluem momentos para escutar lo que Dios está haciendo en todo el mundo, ya que cada miembro de la comunidad comparte historias sobre la obra de Dios en su ministerio. Este es uno de los momentos más destacados de nuestras reuniones.

He realizado una presentación similar como representante de la Conferencia Cristiana Congregacional Conservadora en los Estados Unidos de América. Confieso que, si bien nuestra comunidad es grande e influyente, me ha conmovido escuchar historias de la poderosa obra de Dios en todo el mundo. Estas historias me han impulsado al amor y a las buenas obras.

Los animo a hacer planes para asistir a la 14.^a Reunión Trienal, que se celebrará del 6 al 9 de octubre de 2026 en Urdinarrain, Entre Ríos, Argentina. El liderazgo de la WECF está ultimando los planes para esta reunión. La comunidad anfitriona, las Iglesias Evangélicas Congregacionales de Argentina, está haciendo planes para recibirnos desde todas partes del mundo.

No desaprovechen esta oportunidad de crecer en la fe e inspirar a otros al amor y a las buenas obras. Serán bendecidos y serán una bendición para los demás.

PORTUGUESE

As principais comunidades cujas discussões levaram à fundação da Aliança Evangélica Congregacional Mundial (WECF) eram dos Estados Unidos, do Reino Unido e da Austrália. Pela graça de Deus, a WECF cresceu e agora inclui 19 comunidades membros de todo o mundo. Tragicamente, a frequência à igreja está diminuindo na América do Norte, na Europa e na Austrália, enquanto prospera em outras partes do mundo.

As Escrituras nos lembram da importância de nos reunirmos com outros crentes:

Consideremos uns aos outros para nos incentivarmos ao amor e às boas obras. Não deixemos de reunir-nos como igreja, segundo o costume de alguns, mas encorajemo-nos uns aos outros, ainda mais quando vocês veem que o Dia se aproxima. (Hebreus 10:24-25)

Essas palavras desafiam os membros da igreja nesta geração. Nossa fé em Cristo é fortalecida quando nos reunimos com outros que compartilham nossa fé. Também é importante reconhecer que encorajamos uns aos outros quando nos reunimos para adoração e comunhão.

Essas palavras também se relacionam com o propósito da WECF. Esta comunidade existe para encorajar a obra de Cristo de crentes com a mesma fé em todo o mundo. Nossos encontros trienais proporcionam uma oportunidade maravilhosa para vivenciar esse propósito.

Nossos encontros trienais incluem momentos de adoração e comunhão. Também incluem momentos para ouvir o que Deus está fazendo ao redor do mundo, enquanto cada membro da comunidade compartilha histórias sobre a obra de Deus em seu ministério. Este é um dos pontos altos de nossos encontros.

Já fiz uma apresentação desse tipo como representante da Conferência Cristã Congregacional Conservadora nos Estados Unidos da América. Confesso que, embora nossa comunidade seja grande e influente, me sinto humilde ao ouvir histórias da poderosa obra de Deus ao redor do mundo. Essas histórias me “impulsionaram ao amor e às boas obras”.

Encorajo você a se planejar para participar do 14º Encontro Trienal, que será realizado de 6 a 9 de outubro de 2026, em Urdinarrain, Entre Ríos, Argentina. A liderança da WECF está finalizando os preparativos para este encontro. A comunidade anfitriã, as Igrejas Congregacionais Evangélicas da Argentina, está se preparando para nos receber de todo o mundo.

Não “negligencie” esta oportunidade de crescer na fé e “inspirar outros” ao amor e às boas obras. Você será abençoado e será uma bênção para os outros.

PRAYER LETTER

from Evangelical Congregational Church "Lighthouse"
Drachevo, Skopje and Mission Stations in villages
Kozjak, Erdzelija and Amzabegovo

Christmas GREETINGS-2025

"And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth." (John 1:14)

BELOVED BROTHERS AND SISTERS, DEAR FRIENDS,

In this blessed Christmas season, as the heavens call us once again to look toward Bethlehem, we send you a warm greeting filled with peace, love, and hope. Christmas is the celebration of God's proximity—of the One who descended to us because we could not reach Him. While the world rushes to decorate, we pause in awe of the God who became man.

Preparing a New Generation for the Kingdom

This year, we have witnessed God's hand among us, bringing new life and new beginnings through the study of His Word in two key areas:

In ECC Lighthouse — Drachevo, Skopje:

We rejoice for the new believers who joined the "Foundations of the Christian Faith" course. They discovered that Christmas is not just a tradition, but an invitation for a personal encounter with the Living Christ. By drawing closer to the Word, they didn't just study theology—they encountered the One who became incarnate to save us.

In Missionary station Kozjak – Preparing Future Leaders:

Christmas reminds us of the Child in the manger, but also of the King who reigns. That is why, in Kozjak this year, we began the biblical training and discipleship of a new generation of leaders. Through the "Bible League Macedonia" program, these young people are growing spiritually, learning to apply the Word in their lives, and preparing to become future ministers who will expand God's Kingdom throughout Macedonia.

DECEMBER 2025

This is the true meaning of Christmas: when God's plans grow quietly, preparing workers for His harvest. We believe that this investment in people will bear fruit that lasts for eternity.

Commitment to Our Own Spiritual Education:

Alongside leading training for others, we also **invested in our personal theological education through Bible studies, seminars, and theological courses**, continuously studying God's Word. This year, Simona and I enrolled in the Bible School for Church Planting, which proved to be a great blessing for us; we learned many new things and gained practical tools, and thanks to God, we successfully completed it on November 22, 2025, ready to apply the lessons we learned in our ministry.

👑 The Joy of Salvation and Spiritual Battle

The greatest Christmas gift is salvation, and this year our family has been enriched by another soul—a precious fruit of this year's evangelistic efforts! Our new sister embraced Christ with joy, but she immediately faced great challenges: she endures threats and is forbidden by her husband to attend church. We call you to fervent prayer for her strength and for the transformation of her husband's heart.

📖 Continuing to Sow the Word

This victory motivates us to move forward even more boldly. On November 9, 2025, in Kozjak, we held an open-air evangelism event, joined by a worship team from Bulgaria and believers from other churches. People from Kozjak and surrounding villages attended. The response was wonderful — many prayed with repentant hearts, and a whole family joyfully joined the church,

publicly testifying to their decision to follow Jesus. Then, on December 14, 2025, in the center of Dracevo, with songs, preaching, and conversations, we once again exalted the name of Jesus! People stopped, listened, and received literature—confirming the great hunger for God.

ECC LIGHTHOUSE

We do not stop here: we continue with our Christmas outreach, believing that every seed sown will bring new life, and every newborn heart is a testimony that **Immanuel—God is with us!**

Immanuel

Prayer Call: Standing Together

In honor of Christmas, we invite you to unite in prayer for:

- **Perseverance:** That new believers remain steadfast through all trials.
- **Workers:** That God raises a strong generation of ministers through our training programs.
- **Awakening:** That the Holy Spirit continues to work in the hearts of those who heard the Gospel for the first time.
- **Provision:** We continue to pray for God's provision of the necessary funds—3,940 euros—to purchase a PVC container for a children's classroom, supporting the children's ministry.

Christmas Blessing

May Christ's light shine upon your home. May His peace fill your souls.

And may God's grace accompany your every step.

Merry Christmas and a blessed New Year 2026! ✨

With love in Christ and gratitude,

Pastor Angel Andonovski and the team of

harvest time

Greetings and family update

Dear brothers and sisters, friends, and supporters of the ministry in Macedonia, it's a great joy to be able to write you this newsletter and let you know how God's kingdom is advancing here.

But, before I write to you about ministry, I want to share a personal, or better said a family update. I am excited to let you know that by God's grace our family is growing. This May we are expecting to welcome another boy in our family. Please do pray for that; for Nena's pregnancy, the delivery, and also the wisdom and strength that come from God, so we can raise our children in His way.

On the photo: Jakov holding the ultrasound photo (doesn't seem very excited, right?)

Harvest time

We are grateful to God that in the last few months we've seen growth in our church. The growth can be seen both in numbers (we have a three new couples and a single mom with three daughters who started attending the church), but also there's growth and more dedication among the believers when it comes to serving in the church.

In a way, we feel like we are experiencing harvest time. It's exciting to see new people finding a place among us, building relationships, and becoming part of our church family. We've been praying for this for long time, and we're glad to see it happening. It's all God's grace, and now we pray that in His grace, He will teach us to take care of these people and help them grow in their faith and dedication to our Savior.

A photo of a Sunday service we've had together with the local Christian drug rehabilitation center.

Serving the diaspora

Besides the harvest that is happening in our local church, last year we've had two opportunities for sowing in Germany. There, we have Macedonian friends who live in the Frankfurt area, with whom we organized two services in Macedonian language for the Macedonian diaspora there. That group has a lot of potential, and we are joyful to help any way we can in reaching our people.

Please continue to pray for us

As I close this brief newsletter, I want to ask you to keep praying for the ministry. Whether it's reaching new people with the Gospel, or caring for those who already attend the church, or helping friends in Germany reach other Macedonians with the Gospel, we need God's guidance in all of it. Because this is not our work. This is God's work.

We are simply instruments in His hands, trusting Him to use us, and shape and guide the lives of those we serve. That's why we need your prayers: that God would strengthen us, give us wisdom, and keep our hearts faithful as we follow His leading in this season.

Tiempo de Cosecha

Otoño/Invierno 2025-2026

Queridos hermanos,

hermanas, amigos y simpatizantes del ministerio en Macedonia: Es una gran alegría poder escribirles este boletín y contarles cómo avanza el reino de Dios aquí.

Pero antes de hablarles del ministerio, quiero compartirles una noticia personal, o mejor dicho, familiar. Me alegra mucho contarles que, por la gracia de Dios, nuestra familia está creciendo. Este mayo esperamos dar la bienvenida a otro niño. Les pido que oren por ello; por el embarazo de Nena, por el parto, y también por la sabiduría y la fortaleza que Dios nos da para criar a nuestros hijos según sus enseñanzas.

Agradecemos a Dios que en los últimos meses hayamos visto un crecimiento en nuestra iglesia. Este crecimiento se nota tanto en el número de miembros (tenemos tres parejas nuevas y una madre soltera con tres hijas que comenzaron a asistir a la iglesia), como en la mayor dedicación de los creyentes al servicio de la iglesia.

En cierto modo, sentimos que estamos viviendo la época de la cosecha. Es emocionante ver a gente nueva encontrando su lugar entre nosotros, construyendo relaciones y formándose parte de nuestra familia de la iglesia. Hemos estado orando por esto durante mucho tiempo y nos alegra verlo suceder. Todo es por la gracia de Dios, y ahora oramos para que, en su gracia, nos enseñe a cuidar de estas personas y ayudarlas a crecer en su fe y dedicación a nuestro Salvador.

Además de la cosecha que se está dando en nuestra iglesia local, el año pasado tuvimos dos oportunidades de sembrar en Alemania. Allí, tenemos amigos macedonios que viven en la zona de Frankfurt, con quienes organizamos dos servicios en idioma macedonio para la diáspora macedonia de la zona. Ese grupo tiene mucho potencial y nos alegra poder ayudar en todo lo que podamos para alcanzar a nuestra gente.

Al concluir este breve boletín, quiero pedirles que sigan orando por el ministerio. Ya sea para compartir el Evangelio con nuevas personas, para cuidar de quienes ya asisten a la iglesia o para ayudar a amigos en Alemania a compartir el Evangelio con otros macedonios, necesitamos la guía de Dios en todo. Porque esta no es nuestra obra, sino la de Dios.

Somos simplemente instrumentos en sus manos, confiando en que Él nos usará

para moldar y guiar la vida de aquellos a quienes servimos. Por eso necesitamos sus oraciones: para que Dios nos fortalezca, nos dé sabiduría y mantenga nuestros corazones fieles mientras seguimos su guía en este tempo. Por favor, sigan orando por nosotros.

Tempo de Colheita

Outono/Inverno 2025-2026

Queridos irmãos e irmãs,

amigos e apoiadores do ministério na Macedônia, é uma grande alegria poder escrever este boletim informativo e compartilhar com vocês como o reino de Deus está avançando aqui. Mas, antes de escrever sobre o ministério, quero compartilhar uma atualização pessoal, ou melhor, uma atualização familiar. Estou muito feliz em contar que, pela graça de Deus, nossa família está crescendo. Em maio, esperamos receber mais um menino em nossa família. Por favor, orem por isso; pela gravidez de Nena, pelo parto e também pela sabedoria e força que vêm de Deus, para que possamos criar nossos filhos à Sua maneira. Somos gratos a Deus porque, nos últimos meses, vimos crescimento em nossa igreja. O crescimento pode ser visto tanto em números (temos três novos casais e uma mãe solteira com três filhas que começaram a frequentar a igreja), mas também há crescimento e mais dedicação entre os crentes quando se trata de servir na igreja. De certa forma, sentimos que estamos vivenciando a época da colheita. É emocionante ver novas pessoas encontrando seu lugar entre nós, construindo relacionamentos e se tornando parte da nossa família da igreja. Temos orado por isso há muito tempo e estamos felizes em ver isso acontecer. É tudo pela graça de Deus e agora oramos para que, em Sua graça, Ele nos ensine a cuidar dessas pessoas e ajudá-las a crescer em sua fé e dedicação ao nosso Salvador. Além da colheita que está acontecendo em nossa igreja local, no ano passado tivemos duas oportunidades de semear na Alemanha. Lá, temos amigos macedônios que moram na região de Frankfurt, com quem organizamos dois cultos em macedônio para a diáspora macedônia. Esse grupo tem muito potencial e estamos felizes em ajudar de todas as maneiras possíveis a alcançar nosso povo. Ao encerrar este breve boletim informativo, peço que continuem orando pelo ministério. Seja para alcançar novas pessoas com o Evangelho, cuidar daqueles que já frequentam a igreja ou ajudar amigos na Alemanha a alcançar outros macedônios com o

Evangelho, precisamos da orientação de Deus em tudo isso. Porque este não é o nosso trabalho. Este é o trabalho de Deus. Somos simplesmente instrumentos em Suas mãos, confiando que Ele nos usará e moldará e guiará a vida daqueles a quem servimos. É por isso que precisamos de suas orações: para que Deus nos fortaleça, nos dê sabedoria e mantenha nossos corações fiéis enquanto seguimos Sua direção nesta época. Por favor, continuem orando por nós.
